This matter comes before the Public Service Commission of South Carolina ("Commission") on the request of TDI Communications, Inc. ("TDI" or the "Company") to cancel its Certificate of Public Convenience and Necessity to operate as a non-facilities-based reseller of interexchange telecommunications services in the State of South Carolina. A review of the docket file reveals that TDI's authority to provide resold interexchange telecommunications services in South Carolina as a non-facilities-based carrier was granted by Order No. 2002-376, dated May 28, 2002.

By letter dated March 12, 2004, TDI advises the Commission that the Company is no longer operating and has no customers in South Carolina; therefore, TDI requests cancellation of the Company's Certificate of Public Convenience and Necessity without prejudice.

As TDI is no longer providing the services for which its Certificate of Public Convenience and Necessity was granted, the Commission finds and concludes that TDI's Certificate of Public Convenience and Necessity to provide resold interexchange telecommunications services within the State of South Carolina should be cancelled.

IT IS THEREFORE ORDERED THAT:

1. The Certificate of Public Convenience and Necessity to provide resold interexchange telecommunications services within the State of South Carolina as a non facilities-based carrier authorized by Order No. 2002-376, dated May 28, 2002, issued in the instant docket to TDI Communications, Inc. is hereby cancelled without prejudice.

2. This Order shall remain in full force and effect until further Order of the Commission.

---

Mignon L. Clyburn, Chairman
